Description: 3 Years Experienced in Data Analytics and Mainframes.

3. **Name:** Dollar Kumar Bansal
Student ID: 27599188

Email ID: dollarkumarbansal@gmail.com

Description: Pursuing Masters in Software Engineering. Intermediate Java Programmer with testing skills.

4. **Name:** Desai Parth Mukeshbhai
Student ID: 27397364

Email ID: parthdesai786619@gmail.com

Description: Pursuing Masters in Software Engineering. Java Programmer with testing skills.

5. **Name:** Manjot Singh Gill
Student ID: 27299699

Email ID: gillcapricorn7@gmail.com

Description: Pursuing Masters in Software Engineering. Intermediate testing and database skills.

Domain Selected: Inventory management system

Retail management is one of the fastest growing and highest revenue making sectors. Efficient retail management systems like Walmart etc. can help both, the customers and the vendors effectively, hence we chose this domain
